Dear Mr. Hill:

We have completed a review of the quarterly status reports for the second quarter of 2004. According to our records, owners of the affected equipment of safety recall 03E-006 and 03E-007 concerning noncompliances with certain AFX North America (AFX) motorcycle helmets were notified during March 2003. To this date, we have not received AFX's fourth and fifth quarterly status reports for these campaigns. Please be advised that, unless otherwise directed by the agency, manufacturers conducting a safety recall are required to submit six quarterly reports.

If AFX believes that it sent in these reports, please provide copies. If your company believes that no reports are required, please explain the reason. Please provide your response by October 6, 2004.

You may fax the report to Mrs. Kelly Schuler at (202) 366-7882. If you have any questions concerning this matter, please contact Kelly at (202) 366-5227.

Sincerely,

Patricia Wallace
